THE WARRIOR

D.M.H.S. 1961

Dedication . . .

At this time, we the class of 1961, would like to dedicate our Yearbook to Charles "Chuck" Lampson. Both in the classroom and on the athletic field, Chuck's steadying influence and personal magnetism have provided us with constant inspiration. Selflessly, Chuck has worked to better our athletic and scholastic programs. Through his bleacher fund drive we have obtained the much-needed bleachers for the baseball field, and his athletic scholarship fund will be instrumental in furthering the education of future student-athletes. We know that this dedication is but a small token of the esteem and high regard in which we hold "Chuck," but through it we have tried to express some of our affection for him.

CLASS OF 1961

For the members of the Graduating Class of 1961, I wish the ennobling qualities of heart and mind that alone can bring them true happiness and success in life. I wish them faith in God and self; love, unselfishly given and returned in full measure; hope to sustain them in dark hours; the will to work diligently in their chosen fields; and the fortitude to meet life's challenge in the spirit of A. E. Housman's beautiful lines from "Reveille":

"Clay lies still but blood's a rover;
Breath's a ware that will not keep.
Up lad: when the journey's over
There'll be time enough to sleep."

'61"

As the gate to the future opens before us, we look back on our wonderful high school days. They have been four eventful years, climaxed by our Senior year. An enjoyable and rewarding year, we have made it also a memorable one. Time conquers all, yet is time able to erase something as enduring as memories? Not if they are the recollections of achievement, joy, and friendship such as we have encountered. Time has rushed us through these years, but graduation is no indication of its victory. We shall recall these moments long after our diplomas are covered with dust, and shall treasure forever the memories of Billerica Memorial High.

This yearbook would not have been possible without the assistance of Miss McDuffie and Mrs. Splaine.

Cheerleaders

Leadership, school spirit, character, personality, appearance, and scholastic record are the characteristics by which Billerica's Cheerleaders are chosen.

Captained by Pat Petipas and with Miss Hood as advisor, these girls have done much to link the friendships of many schools. Whole heartedly supporting the football and basketball teams, these girls are always seen cheering and enlivening the spirit of the game. Football

This year, as in each previous year, Billerica fielded a fine football team. The 1960 squad, however, will long be remembered as one of exceptionally high calibre. Little was expected of the team at the onset of the season, but by November it had earned the justly deserved reputation of being "light as feathers but hard as nails."

A great deal of team spirit and rugged determination enabled our battling Warriors to win all but three of their regular season games. Although we lost the game in fact, we won a moral victory in the most glorious game of the season with our traditional rival, Chelmsford, on Thanksgiving Day.

It is with an undaunted spirit that the football team of 1960 leaves to its successors a record to be looked upon always with pride.

Boys' Basketball

The 1961 basketball team, captained by Edward Richardson and James Herlihy, and under the direction of coach George Gracie, enjoyed a successful season. Finishing fourth in the standings, Billerica was a strong Suburban League Competition. Highlights of the season were an upset win over Wilmington High School in the last few minutes of play and the brilliant defeat of Dracut High School at our home court. Both captains, Richardson and Herlihy were chosen to represent Billerica in the Suburban League all-star game for 1961, an honor justly earned by these boys. Although we always look ahead to next year with high hopes of success, this season's record leaves little to be desired.

Track

Although a relatively new addition to Billerica's athletic program, competition in Track runs extremely high. The result is that for the second consecutive year the Billerica Track Team has won championship honors in the Lowell Suburban League. The 1960 track team was captained by Martin Keoughan and Robert Osterberg who led the team to an undefeated season. John Fritz was recipient of the trophy presented by Coach Samson annually to the outstanding trackman from B. M. H. S.

Cross Country, 1960, also a new sport for Billerica, was one of which we can be proud. Winning the Lowell Suburban League Championship by defeating four other schools in the conference meet, the team saw only two defeats out of nine meets. George Martin, an outstanding competitor in this sport, led our team's scoring in the Massachusetts State meet, scoring eighth of 115 schoolboy runners.

Baseball

At the time this book goes to print the 1961 baseball season will not have started formally. This year we have only three veteran players returning. However, Coach O'Brien feels that as the season moves on the added experience should enable the Warriors to win their share of contests. The 1961 squad will be co-captained by James Herhily, Steven Swiacky, and Brian Cunio.

Seniors who are expected to add to the team this year will be Frank Bernarducci, William Rebinskas, Ronald Burton, Jack Perry, Steven Coombs, John Balboni, Harold Charest, and Robert Solomon.

The 1961 schedule of games, each team to be played twice, is as follows:

North Andover	Burlington
Tewksbury	Chelmsford
Dracut	Wilmington

Girls' Basketball

The girls' varsity basketball team has had one of their most successful seasons in many years, finishing with a 21 and 2 record. After winning the Lowell Suburban League Championship for the second consecutive year, they also won the Ashby Tournament. Individual All-Star awards were presented to Lauraine Riel and Priscilla Paradise. Alice Miner was selected as the Most Valuable Player of the Tournament. In addition to the above awards, our team received the Good Sportsmanship Award, which is one of the most coveted of all the tournament awards. Although Alice Miner, Mary Gill, and Janet Callahan, will be missing from the team next year; Juniors — Priscilla Paradise, Kathy Callahan, Rosalie Martell, Rita Mahoney, Regina Hartigan, and Dianne Dow; Sophomores — Marsha Coombs, Jean Doherty, Sandra Bavis, and Ruth Paradise; Freshman — Lauraine Riel will be returning to strive for the third league championship. The Junior Varsity also had one of their most successful seasons with a 14-5 record under the coaching skill of Mrs. Murphy.

The Girls' Field Hockey Team, coached by Miss Hood, has completed its most successful season since being introduced in 1956. The players returning from last year were Alice Miner, Janet Callahan, Marsha Coombs, Ruth Paradise, Judy Tetreault, Barbara McGuinness, Kathy Keoughan, Beverly Vaillancourt, and Jean Doherty. Adding much strength to the above group were new members Lauraine Riel, Priscilla Paradise, Sandra Bavis, and Joan Merrow.

Although the Junior Varsity did not enjoy a comparable season this year, they gained valuable experience.

Softball

At the time of this writing, it is impossible to adequately foresee the success of the 1961 softball team. While basketball is the only major sport for girls, there is an increased interest in field hockey and softball. Last year's team was fairly successful, completing the season with a 5 and 3 record.

Returning to the squad this year are starters Janet Callahan, Alice Miner, Ruth Paradise, Gladys Eagles, Marsha Coombs, Rosalie Martell, Jean Doherty, and Barbara McGuinness. These girls hope to make the 1961 season one of our best.

Class History

With graduation swiftly approaching, many a senior's thoughts are directed back over the years spent at B. M. H. S. Let us now turn back the calendar to 1957. Remember how bewildered and lost we felt searching for the right classrooms those first few days as freshmen? Soon accustomed to our new routine, we elected our officers: Patricia Kennelly, President; James Amerault, Vice-President; Frank Bernarducci, Secretary; and Martha Dunn, Treasurer.

The arrival of Spring brought with it the excitement of planning our first social function, "Springtime Frolic." A short time later our present head cheerleader, Patricia Petipas, joined the squad.

With the lazy summer months behind us, we entered school to begin our Sophomore year. Elected to lead our class activities were: Frank Bernarducci, President; James Amerault, Vice-President; Mary Landry, Secretary; and Patricia Petipas, Treasurer. Our dance, "Harvest Hop," was a huge success with the corn stalks, pumpkins, and gaily colored leaves transforming the cafeteria into an authentic autumn setting.

This year our football team enjoyed a very successful season and earned the Suburban League title. Under the supervision of Coach Samson the first organized track team in the school's history was added to Billerica's athletic program. It was this year also that Irene Celli, Linda Barton, and Patricia Hartigan, three very capable girls, were chosen cheerleaders. In the spring, we were honored by a visit from Senator Kennedy, who later went on to bigger things.

After returning in September, we elected the following Junior Class officers: Frank Bernarducci, President; Martha Dunn, Vice-President; Paula Brackett, Secretary; and Patricia Petipas, Treasurer. This was to be a big year for the class of '61. We were finally upperclassmen and with this new role came the purchase of class rings. Our football team once again claimed the Lowell Suburban League Title defeating Chelmsford, 19-0, on Turkey Day. The girls' basketball team also added a trophy to our showcase by winning the Lowell Suburban League Title. Chosen in their Junior year as cheerleaders were Paula Brackett, Mary Landry, Joan Columbus and Virginia Scott.

One of the most beautifully decorated proms ever to be held at B. M. H. S. was "Gateway to Paradise." The pastel colors created a heavenly background for Queen Paula Brackett and attendants: Joan Merrow, Janet Callahan, Linda Barton, Patricia Kennelly, Virginia Scott, and Brenda Marshall.

Once again in June the doors of B. M. H. S. closed for summer vacation.

September of 1960 found us at last making our way to the "exclusive"

S-floor homerooms. In this, our final year, Frank Bernarducci, our competent President for the past two years, was once again elected to office, aided by James Amerault, Vice-President; Mary Landry, Secretary; and Patricia Petipas, Treasurer.

The Beacon Light Chapter of the National Honor Society made a fine choice in selecting as their officers: President, Nancy Winer; Vice-President, Francis Leonard; Secretary, Nancy Schindler; and Treasurer, Irene Celli.

On the sports scene, this fall was the first time in the history of Miss Hood's "Bloomer Girls" that they ever went undefeated in field hockey. Because of the lack of size and the fact that only two men returned from last year's varsity squad, the pre-season predictions for our football team were pessimistic. However, with the drive and determination of our coaches, headed by "Chuck," the team spirit lifted and the boys went on to win 5 games, tie 1, lose 2. This energetic team had for its captains: Joe Motuzas, Doug Dooley and Alan Farwell. Among the other activities of this memorable fall were the rallies, victory rides, dances and rehearsals for the Dramatic Club's presentation, "Harvest Frolics."

The decorating for the annual Christmas Dance was soon underway, bringing with it the election of our "Snow Queen." Chosen as our lovely and most deserving Queen was Martha Dunn with her senior attendants Linda Barton, Brenda Marshall, and Paula Brackett, and undergrads Phoebe Mitchell, Barbara McGuinness, and Eileen Buchanan.

The girls' basketball team, under co-captains Alice Miner and Janet Callahan, not only headed the Suburban League, but went on to capture the Ashby Tournament. The other seniors composing this formidable team included Mary Gill and Brenda Marshall. At the tournament, co-captain Alice Miner was selected as most valuable player of the year and our cheerleaders won a trophy for the most outstanding squad there.

The most difficult and important undertaking of our class was the publishing of this yearbook. We realize that without the patience and untiring efforts of our advisors, Miss Belcher and Miss McDuffie, none of it would have been possible.

With all these fond memories behind us and our Senior Prom and Class Trip yet to come, we are looking ahead to graduation with mixed emotions.

LINDERCLASSMEN

Junior Class

The social highlight of our year, the Junior Prom, titled "Roman Holiday," was held May 5. Various committees under the direction of our advisors, Miss Richardson and Mrs. Cooney, helped to make this event a huge success.

After two years of anticipation, we finally received our class rings in the fall. We also elected our officers: Steve Curran, President; John Santos, Vice-President; Denise Allard, Secretary; and Barbara Hosmer, Treasurer.

Sophomore Class

With the help of our three advisors, Mrs. Messer, Mrs. Cassin, and Mr. Luciano, our Sophomore Class enjoyed another rewarding year. Our class officers, because of their excellent performance in our Freshman year, were re-elected. They are: President, Paul Pickowicz; Vice-President, Karen McDewell; Secretary, Barbara McGuinness; and Treasurer, Donna Taylor. Under their leadership our Sophomore dance, "Falltime Fiesta," turned out to be a festive occasion enjoyed by all.

Freshman Class

At the beginning of this, our first year in high school, we elected as officers: President, Ronald Bernarducci; Vice-President, Jane Knowles; Secretary, Eileen Buchanan; and Treasurer, John Grady. As new arrivals at Billerica Memorial High School, we hope we have proved to be a welcome addition. Our Freshman dance, "Romance 'n' Rhythm," held in the spring, was an enjoyable experience for the many who attended.
